

Dee Boss Talent Privacy Policy

Last Updated: May 24th 2018

This privacy policy (this "**Policy**") explains how personal information is collected, used, and disclosed by Dee Boss Talent. This Policy applies to visitors and users (individually, "**you**", if under 18 your parent or legal guardian) of Dee Boss Talent's websites, applications, and other online services (each, a "**Site**," and collectively, our "**Sites**"), although not all services described here are available in all jurisdictions. By visiting or using our Sites, to the extent permitted by applicable law, you are consenting to us gathering and processing information about you in accordance with this Policy, although consent may not be required for all of the elements described in this Policy. For particular types of information or processing, we may provide you with choices or request your further consent related to what information we collect and how we may process it.

Information we collect

We collect information in two ways, 1) When **you** sign up to our newsletters, we will only hold a name and email address. You can opt out of receiving these newsletters by clicking the unsubscribe link in the email. 2) Representation by us. In this instant we will hold information about **you** which you have entered directly into our website.

How We Use Your Information

We use this information to enable us to search for roles you will be suitable for.

How We Share Your Information

We do not pass this information on to third parties without consent from you. Your information would only be passed on to a third party (such as a "casting director" or "production company") if you have been selected to cast for a role or have been confirmed for a role. In this instant only information that was applicable to the role would be passed onto the third party.

Security of Your Information

Dee Boss Talent takes commercially-reasonable technical, administrative, and physical security measures designed to protect your information from loss, misuse, unauthorized access, disclosure, alteration, and destruction.

When your credit or debit card account information is being transmitted to our Sites or through our Sites, it will be protected by cryptographic protocols. To be clear, Dee Boss Talent does not itself store your credit or debit card account information, and we do not have direct control over or responsibility for your credit or debit card account information. We use third party payment processors that are the controllers of your credit card information. Our contracts with third parties that receive your credit or debit card account information require them to keep it secure and confidential.

Nonetheless, we cannot guarantee that transmissions of your bank account, credit or debit card account information or your other information will always be secure or that unauthorized third parties will never be able to defeat the security measures taken by Dee Boss Talent or our third-party service providers. Except to the extent that liability cannot be excluded or limited due to applicable law, we assume no liability or responsibility for disclosure of your information due to errors in transmission, unauthorized third-party access, or other causes beyond our control. You play an important role in keeping your information secure. You should not share your user name, password, or other security information for your Dee Boss Talent account with anyone. If we receive instructions using your user name and password, we will consider that you have authorized the instructions. If you have reason to believe that your interaction with us is no longer secure (e.g., if you feel that the security of any account you might have with us has been compromised), please contact us immediately as detailed in the Contact Us section, below.

Your Choices

As a subscriber to our newsletters, you can opt out of receiving these newsletters by clicking the unsubscribe link in the email.

If you are represented by us, we need to use the information we hold about you to enable us to put you forward for roles. Therefore if you are not happy with us holding any of this information you can opt out, but this would require us to terminate your contract with us, thus us not representing you.

Access and Correction of Your Information

If you are represented by Dee Boss Talent or one of our companies and would like to update the information you have provided to us, you can access your account to view and make changes or corrections to your information. You may also contact us as detailed in the Contact Us section, below.

Our Sites may contain links to other websites or services that are not owned or controlled by Dee Boss Talent. This Policy only applies to information collected by our Sites. We have no control over these third party websites, and your use of third party websites and features are subject to privacy policies posted on those websites. We are not responsible or liable for the privacy or business practices of any third party websites linked to our Sites. Your use of third parties' websites linked to our Sites is at your own risk, so we encourage you to read the privacy policies of any linked third party websites when you leave one of our Sites.

Changes to This Policy

Except to the extent limited by applicable law, we reserve the right to update this Policy to reflect changes to our information practices by prominently posting notice of the update on our Sites, and as required, obtaining your consent. Any updates will become effective immediately after posting the updates to this Policy and apply to all information collected about you, or where required, upon your consent. You agree that you will review this Policy periodically. If we make any changes to this Policy, we will change the "Last Updated" date above. You are free to decide whether or not to accept a modified version of this Policy, but accepting this Policy, as modified, is required for you to continue using our Sites. **If you do not agree to the terms of this Policy or any modified version of this Policy, your sole recourse is to terminate your use of our Sites or contract with us.**

If we make any changes to this Policy that materially impacts previously collected information about you, we will obtain your prior express consent.
